Medical Benefit Highlights

SEH Select Silver EPO AmeriHealth Advantage LV $30/$60

AmeriHealth Advantage is a two-tiered Exclusive Provider Organization (EPO) plan which provides members with two levels of cost sharing. With the first tier, members who receive services from AmeriHealth Advantage facilities and professional providers have the lowest out-of-pocket costs. Members can also use Value Network facilities and professional providers in the second tier and experience higher out-of-pocket costs. The AmeriHealth Advantage EPO allows members to choose their own doctors and hospitals from our participating provider network. Services are also received without referrals from a PCP. The AmeriHealth Advantage EPO does not have out-of-network benefits; therefore members must use network providers in order to access their benefits.

With AmeriHealth New Jersey EPO...

- You are required to select a primary care physician
- You never need a referral
